

FRENCH ROAST ORGANIC

Organic French Roast is perfect for those who enjoy dark roasted coffee. It's low acidity makes it perfect for stove top espresso or filter coffee.

As of October 25th, 2013, Organic French Roast consists of:

NAME: Ethiopia Welinso Organic
PRODUCER: Around 700 smallholder farmers
LOCATION: Limu Kossa, Jimma
ALTITUDE: 1800-2000 m.a.s.l.
VARIETIES: Local Heirloom

"Smoky and spicy, with low acidity"

For all types of filter coffee brewing, we recommend the following parameters:
Brewing ratio: 1 g coffee - 16 g water
Slurry temperature (coffee+water): 195-200° F
Extraction: 19.5-20.5%
